PURCHASERS,

WHICH said parties have made the following declarations and agreements:-

WHEREAS the Vendor is vested with the possession of the North Western section of a concrete dam erected from bank to bank across the Massawippi River;

AND WHEREAS said section of the concrete dam owned by the Vendor is not required for the Vendor's business and undertaking;

AND WHEREAS the Purchasers are vitally concerned in maintaining control of the waters of the Massawippi Lake and Massawippi River at as uniform a level as possible in their own interests and those of the bordering communities and riparian owners surrounding the said Lake;

AND WHEREAS the Purchasers desire to acquire from the Vendor the said section of dam and land more particularly described in Article I hereof, and WHEREAS the Vendor is willing to convey the said section of dam and land to the Purchasers upon the terms, conditions and restrictions hereinafter set forth;

AND WHEREAS for the purpose of this conveyance the elevation of the water level of said Lake and River hereinafter quoted are given by reference to the Bench mark established by the Department of Interior of Canada, Geodetic Survey of Canada Precise Levelling Bench Mark No.27-A-2 North Hatley, elevation 531.981;

AND WHEREAS the stability of the railway roadbed on the shores and in the vicinity of the said Lake and River requires, so as not to be imperilled and injured, that the level of said Lake Massawippi and said Massawippi River should not exceed elevation 528.40;

NOW THESE PRESENTS WITNESS, and the parties do hereby agree, in consideration of the premises and of the several covenants and agreements herein contained, as follows:-

ARTICLE I. The Vendor hereby sells, conveys and makes over with immediate possession, but without warranty as to exact measurements or title, unto the Purchasers hereby accepting, the following immovable property in its present condition, the Purchasers declaring to be satisfied therewith, to wit:-

All that certain tract or parcel of land formerly known as part of Lot twenty-four (pt.24) Range three(3), Township of Hatley, and now known as part of Lot one thousand and eight (pt.1008) on the cadastral plan and in the book of reference for the Township of Hatley, County of Stanstead, being part

*Job*

of the right-of-way lands of the said Massawippi Valley Railway Company which acquired the said lands from one Jetson Putney by deed dated January 31, 1870, registered in the Registry Office for the said County in Book 16, page 497, under No. 383, the limits of the said tract or parcel of land, hereby conveyed, being more particularly described as follows:-

COMMENCING at the point where a line drawn parallel to and at a square distance of forty (40) feet measured southeasterly from the centreline of the main line track of the said Railway as now built through said Lot one thousand and eight (1008) intersects the northerly limit of the Public Road leading to the new highway bridge over the Massawippi River;

THENCE northerly along the said parallel line a distance of one hundred (100) feet, more or less, to a point in the westerly shore line of the said Massawippi River;

THENCE in a general southerly direction along the said westerly shore line to its intersection with the northerly limit of the said Public Road;

THENCE westerly along the said last mentioned limit to the point of commencement.

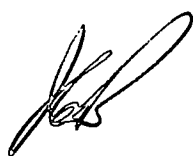

SAID TRACT OR PARCEL of land one thousand and eight (1008) being bounded towards the northwest by another part of said Lot one thousand and eight (1008), towards the east by the said Massawippi River and towards the south by the said Public Road.

ALL DISTANCES herein mentioned are in English Measure.

TOGETHER WITH all the rights of the said Railway Company as riparian proprietor up to the centre line of the said Massawippi River ad medium filum aquae as contained in the Judgment of the Supreme Court of Canada rendered June 8, 1903, re Massawippi Valley Railway Company and J.B. Reed as reported at 33 S.C.R., 457.

TOGETHER WITH the aforesaid section of the dam presently erected in the bed of the Massawippi River.

ARTICLE 2 The Vendor shall not be called upon to furnish title deeds or certificates of search other than to give communication on demand of those which it may have in its possession;

ARTICLE 3. The Vendor shall not be called upon to contribute to the fencing, drainage or bornage of the said sold land;

ARTICLE 4. The Purchasers shall pay the cost of this Deed, its registration and a copy for the Vendor;

ARTICLE 5. The Purchasers shall adopt such measures as may be necessary to regularly maintain the level of Lake Massawippi and Massawippi River at a level not to exceed elevation five hundred and twenty-eight point forty (528.40) in the maximum, it being understood that any rights hereby granted for flooding the Vendor's riparian lands are limited to such land below elevation five hundred and twenty-eight point forty (528.40); provided, however, that whenever requested so to do by the Vendor for the purpose of carrying out repairs to the railway trestle at North Hatley, or to any other railway bridge or culvert, the Purchasers shall take such steps as may be required to lower the elevation of the water in the Lake so as to permit such repairs to be carried out economically and conveniently by the Vendor;

ARTICLE 6 The Purchasers and their successors and assigns in title hereby jointly and severally undertake to guarantee and indemnify the Vendor against all liability that may result from the use of the property hereby conveyed or from the breach of the covenant herein contained in respect

of the elevation of the level of Lake Massawippi and Massawippi River;

ARTICLE 7 The present sale is thus made for the price and sum of One Dollar(\$1.00) which the Vendor acknowledges to have received from the Purchasers whereof quit.

The first of these is the fact that the  
information is being provided to the  
public. This is a very important  
consideration, as it is the only way  
that the public can be kept informed  
of the activities of the government.  
The second is the fact that the  
information is being provided to the  
public in a timely manner. This is  
also a very important consideration,  
as it is the only way that the public
